

PowerPro[®]

SYNTHETIC ADHESIVE TAPE

ANDOVER

by Milliken

PowerPro tape empowers stronger athletes by providing the most supportive adhesive taping system available. It is the first adhesive tape engineered with a non-stretch, moisture-stable substrate.

Less than 1% stretch | Stable support and range of motion | Easy hand-tear
 Cotton-free - won't absorb sweat or water | Provides support & stability during games

Benefits:

- Sustains its integrity when wet
- Stretches up to 37% less than cotton
- Sticks to anything - PowerFlex, pre-wrap or skin
- Hand-tears with ease and has exceptional "lay in" to conform around ankles
- Made in the USA

Uses for PowerPro:

- Replace traditional cloth athletic tape
- Provide support & stability during games

Ordering Information:

Catalog #	Size	Rolls/Case
ACP165XX-1"	1" x 15 yds.	48
